Re: Medley Farm NPL Site, Gaffney, South Carolina

Dear Sir:

This letter is to confirm the date for the meeting announced in Mr. Patrick Tobin's letter dated July 21, 1987. This meeting is for those potentially responsible parties (PRPs) interested in conducting the Remedial Investigation/Feasibility Study (RI/FS) at the Medley Farm NPL site. The objectives of this meeting is to commence the moratorium period for finalizing a consent decree to perform the RI/FS and to convey to the PRPs what is entailed in an RI/FS. The meeting is scheduled to be held on Thursday, September 3, 1987 at 1:00pm in the Waste Management Division's conference room located on the second floor. Please reply to either Wayne Lee of the Office of Regional Counsel or myself of your status with regards to your attending this meeting.

If you need further information, Mr. Lee can be reached at (404)347-2641 and I can be contacted at (404)347-3402.

Sincerely yours,
